

Purpose

The purpose of this policy and procedure is to outline Veritas Institute Australia's approach to ensuring it only issues qualifications, statements of attainment and records of results to students whose USI (Unique Student Identifier) has been verified and have completed all requirements of the program they are enrolled in. It outlines information related to students, staff and education agents understand the requirements of USI created (either by students or on their behalf), collected, verified and stored, by Veritas Institute Australia.

It will also outline how their USI and enrolment records are maintained and submitted to NCVER - National Centre for Vocational Education Research (NCVER).

This policy ensures compliance with the Standards for Registered Training Organisations 2015, Clause 3, Chapter 5 – Completion and the Student Identifiers Act 2014.

Definitions

AQF means Australian Qualifications Framework which can be accessed at <http://www.aqf.edu.au/> AQF Qualifications Issuance Policy means the national policy outlined in the AQF and available at http://www.aqf.edu.au/wp-content/uploads/2013/05/AQF_Issuance_Jan2013.pdf

ASQA means Australian Skills Quality Authority which is the national VET regulator and Veritas Institute Australia's registering body

Certification document means a Certificate, Statement of Attainment or Record of Results.

Course means any nationally recognised qualification, unit of competency, skill set or short course in which a student is enrolled with Veritas Institute Australia.

Record of Results is a record of all the units and modules completed and their results that lead to an AQF qualification or VET Accredited Course being issued and is issued alongside an AQF qualification or Statement of Attainment. Students who complete part of the requirements of an AQF qualification are entitled to receive a record of results.

Standards means the Standards for Registered Training Organisations (RTOs) 2015 from the VET Quality Framework

Statement of Attainment confirms that one or more nationally recognised units or modules has been achieved by an individual but is only used where there has been partial completion of a qualification or VET accredited course.

Student Identifier means a unique number assigned to an individual by the Registrar, in accordance with the Student Identifiers Act 2014.

Student Identifiers Registrar is the body which regulates how agencies collect, use, disclose and store personal information and how individuals may access and correct records containing their personal information and is also bound by the Australian Privacy Principles (APPs) in the Privacy Act 1988 (Cth), The Student Identifiers Registrar's Privacy Policy (www.usi.gov.au) explains how information is protected, including how individuals can access and seek correction of their personal information; how to make a complaint about a breach of privacy and how such complaints are handled.

Testamur is an official certification document that confirms that an AQF qualification has been awarded to an individual.

Unique Student Identifier (USI): USI is a randomly-generated 10 digit alpha-numeric code that is available online and at no cost to the student. The USI number will remain with that individual student for life and be recorded with

any nationally recognised VET course that is undertaken from 1st Jan 2015 onwards. The USI will seamlessly link information about a student's VET achievements, regardless of where they studied, enable students to access secure digital transcripts of their achievements, and give students access to, and more control over, their educational information.

Policy

1. In accordance with the Standards, Veritas Institute Australia issues AQF certification documentation to students whose USI has been verified unless an exemption applies under the Student Identifiers Act 2014 and have been assessed as meeting the requirements of a unit, module, qualification or course as specified in the relevant Training Package or VET Accredited Course.
2. Veritas Institute Australia will verify with the Registrar, a Student Identifier provided to it by an individual before using that Student Identifier for any purpose
3. Veritas Institute Australia will ensure that where an exemption applies, it will inform the student prior to either the completion of the enrolment or commencement of training and assessment, whichever occurs first, that the results of the training will not be accessible through the Commonwealth and will not appear on any authenticated VET transcript prepared by the Registrar,
4. Veritas Institute Australia will ensure the security of Student Identifiers and all related documentation under its control, including information stored in its student management systems.
5. Veritas Institute Australia will destroy any personal information which is collected solely for the purpose of applying for a USI on behalf of a student.
6. Student identifiers will not be included on the Certificate, Record of Results and Statement of Attainment. Veritas Institute Australia has processes in place to verify a learner's Unique Student Identifier (USI) well in advance of when certification is expected to be issued.
7. Veritas Institute Australia will ensure that current and past learners are able to access records of their achievements. All learners who hold a verified USI, and whose results have been reported into the USI system, will be able to access their records through the USI system. If a learner's achievements have not been recorded through the USI system, Veritas Institute Australia has a process in place to ensure that the learner can access their records in another way by applying directly to the Veritas Institute Australia head office through a request.
